1 **File format for data exchange between graphic data bases**
   Arthur G. Gross
   June 1978   DAC '78: Proceedings of the 15th conference on Design automation
   Publisher: IEEE Press
   Full text available: 📄 pdf(544.92 KB)   Additional Information: full citation, abstract, cited by, index terms

   Bibliometrics: Downloads (6 Weeks): 2,   Downloads (12 Months): 11,   Citation Count: 3

   A number of interactive graphics systems have been developed for cartographic applications. Th
   systems have different capabilities and features, and little or no general provision has been mac
   transferring data base content between different ...

2 **Delivering the word—integrating publications technologies**
   Sharon C. Adler
   January 1984 ACM 84: Proceedings of the 1984 annual conference of the ACM on The fifth generati
                challenge
   Publisher: ACM
   Full text available: 📄 pdf(48.64 KB)   Additional Information: full citation, abstract, index terms

   Bibliometrics: Downloads (6 Weeks): 0,   Downloads (12 Months): 2,   Citation Count: 0

   The panelists will provide a concise overview describing the role of the Standard Document Mark
   Metalanguage in modern integrated, automated publication processing systems. The Metalangua
   being developed concurrently within the American National ...

3 **Doe software: scientific and engineering software for sharing**
   Paul L. Johnson
   September 1985 SIGUCCS '85: Proceedings of the 13th annual ACM SIGUCCS conference on User s
                  pulling it all together
   Publisher: ACM
   Full text available: 📄 pdf(237.29 KB)   Additional Information: full citation, abstract, index terms

   Bibliometrics: Downloads (6 Weeks): 4,   Downloads (12 Months): 8,   Citation Count: 0

   This presentation describes the methods used by the National Energy Software Center to facilita
   sharing of DOE software. The focus of the presentation will be on the materials requested of the
   developers and the software screening procedure. The ...

4   Game enhanced music manuscript
    David Lieberman
    November 2006 GRAPHITE '06: Proceedings of the 4th international conference on Computer graph
                     interactive techniques in Australasia and Southeast Asia
    Publisher: ACM
    Full text available: pdf(703.58 KB)   Additional Information: full citation, abstract, references, index terms

    Bibliometrics: Downloads (6 Weeks): 26,   Downloads (12 Months): 124,   Citation Count: 0

       A unique set of developmental issues present themselves when applying game theory concepts
       creation of interactive music manuscript in video game format for concert performance (game-s
       Paying special attention to structural, mathematical, ...

       Keywords: anigraphical music, game-score, interactive music manuscript

5   A five-year study of file-system metadata
    Nitin Agrawal, William J. Bolosky, John R. Douceur, Jacob R. Lorch
    October 2007 ACM Transactions on Storage (TOS),   Volume 3 Issue 3
    Publisher: ACM
    Full text available: pdf(445.77 KB)   Additional Information: full citation, abstract, references, index terms

    Bibliometrics: Downloads (6 Weeks): 37,   Downloads (12 Months): 343,   Citation Count: 0

       For five years, we collected annual snapshots of file-system metadata from over 60,000 Window
       systems in a large corporation. In this article, we use these snapshots to study temporal change
       size, file age, file-type frequency, directory ...

       Keywords: File systems, generative model, longitudinal study

6   Transcoding media for bandwidth constrained mobile devices
    Kevin Curran, Stephen Annesley
    March 2005 International Journal of Network Management,   Volume 15 Issue 2
    Publisher: John Wiley & Sons, Inc.
    Full text available: pdf(179.00 KB)   Additional Information: full citation, abstract, references, cited by, index ter

    Bibliometrics: Downloads (6 Weeks): 15,   Downloads (12 Months): 87,   Citation Count: 2

       Bandwidth is an important consideration when dealing with streaming media. More bandwidth is
       for complex data such as video as opposed to a simple audio file. When delivering streaming me
       sufficient bandwidth is required to achieve an acceptable ...

7   Steganography obliterator: an attack on the least significant bits
    Guillermo A. Francia, III, Tyler S. Gomez
    September 2006 InfoSecCD '06: Proceedings of the 3rd annual conference on Information security
                     curriculum development
    Publisher: ACM
    Full text available: pdf(203.20 KB)   Additional Information: full citation, abstract, references, index terms

    Bibliometrics: Downloads (6 Weeks): 31,   Downloads (12 Months): 359,   Citation Count: 0

       Steganography is the art of concealing messages through hidden data that is embedded in a car
       medium. Current steganalysis practices focus on detecting and recovering these pieces of hidde
       This paper focuses on instances when neither detecting ...

Keywords: computer security, digital copyright management, digital forensics, enterprise appli
information hiding, intellectual property, steganography

8 Computing curricula 2001

CORPORATE The Joint Task Force on Computing Curricula
September 2001 Journal on Educational Resources in Computing (JERIC), Volume 1 Issue 3es
Publisher: ACM
Full text available: pdf(613.63 KB) html(2.78 KB) Additional Information: full citation, references, cited by, index te

Bibliometrics: Downloads (6 Weeks): 221, Downloads (12 Months): 1779, Citation Count: 22

9 Communications of the ACM: Volume 51 Issue 6

June 2008 issue Volume 51 Issue 6
Publisher: ACM
Full text available: pdf(8.89 MB) digital edition Additional Information: full citation

Bibliometrics: Downloads (6 Weeks): 284, Downloads (12 Months): 284, Citation Count: 0

10 Netscape Plug-Ins

Larry Hoff
September 1999 Linux Journal, Volume 1999 Issue 65es
Publisher: Specialized Systems Consultants, Inc.
Full text available: html(21.15 KB) Additional Information: full citation, abstract, references, index terms

Bibliometrics: Downloads (6 Weeks): 3, Downloads (12 Months): 9, Citation Count: 0
Extending Netscape's ability to handle additional file formats

11 Petri nets tools integration through Eclipse

Adilson Arcoverde, Jr., Gabriel Alves, Jr., Ricardo Lima
October 2005 eclipse '05: Proceedings of the 2005 OOPSLA workshop on Eclipse technology eXcha
Publisher: ACM
Full text available: pdf(387.28 KB) Additional Information: full citation, abstract, references

Bibliometrics: Downloads (6 Weeks): 21, Downloads (12 Months): 129, Citation Count: 0
The lack of a standard file format to represent Petri nets limits the reuse of models among Petri
tools. In order to reduce the impact of this limitation the Petri Net Markup Language (PNML) has
proposed. PNML is an interchange file format for ...

12 SISCO: a supply chain simulation tool utilizing silk™ and XML

Dean C. Chatfield, Terry P. Harrison, Jack C. Hayya
December 2001 WSC '01: Proceedings of the 33nd conference on Winter simulation
Publisher: IEEE Computer Society
Full text available: pdf(276.14 KB) Additional Information: full citation, abstract, references, cited by, index ter

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 30, Citation Count: 5
We discuss SISCO, the Simulator for Integrated Supply Chain Operations, a Java-based tool tha

simplifies supply chain simulation model development. SISCO maps supply chain descriptions st
the XML-based Supply Chain Modeling Language (SCML) format ...

13 An audio watermarking scheme robust against stereo attacks
David Megías, J. Herrera-Joancomartí, Julià Minguillón
September 2004 MM&Sec '04: Proceedings of the 2004 workshop on Multimedia and security
Publisher: ACM
Full text available: pdf(191.73 KB)   Additional Information: full citation, abstract, references, index terms

Bibliometrics: Downloads (6 Weeks): 6, Downloads (12 Months): 65, Citation Count: 0

In this paper, a watermarking scheme for both monophonic and stereophonic audio files is prese
The suggested method uses MPEG 1 Layer 3 compression to determine where and how the emb
mark must be introduced, combined with an error correcting ...

Keywords: audio watermarking, copyright protection, frequency domain methods

14 Teaching 3D modeling and simulation: virtual kelp forest case study
Don Brutzman
February 2002 Web3D '02: Proceedings of the seventh international conference on 3D Web technol
Publisher: ACM
Full text available: pdf(600.93 KB)   Additional Information: full citation, abstract, references, cited by, index ter

Bibliometrics: Downloads (6 Weeks): 10, Downloads (12 Months): 72, Citation Count: 3

Two classes of graduate students learning 3D graphics and analytic simulation at the Naval Post
School modeled the three_dimensional (3D) shape, structure, imagery and motion behaviors of
and animals in the kelp forest exhibit at the Monterey ...

Keywords: 3D graphics education, VRML, X3D, kelp forest

15 An open linking service supporting the authoring of web documents
Renato Bulcao Neto, Claudia Akemi Izeki, Maria da Graça Pimentel, Renata Pontin Fortes, Khai Nhu
November 2002 DocEng '02: Proceedings of the 2002 ACM symposium on Document engineering
Publisher: ACM
Full text available: pdf(447.35 KB)   Additional Information: full citation, abstract, references, cited by, index ter

Bibliometrics: Downloads (6 Weeks): 2, Downloads (12 Months): 20, Citation Count: 6

Both content driven web authors and application designers may have their attention deviated fr
main task when they have to be concerned with the generation of elaborated linking structures.
work aims to demonstrate how a metadata-enhanced ...

Keywords: RDF-based metadata, content driven authoring, document engineering, open linking
web engineering

16 A novel XML music information retrieval method using graph invariants
Alberto Pinto, Goffredo Haus
October 2007 ACM Transactions on Information Systems (TOIS), Volume 25 Issue 4
Publisher: ACM
Full text available: pdf(1.52 MB)   Additional Information: full citation, abstract, references, index terms

Bibliometrics: Downloads (6 Weeks): 21, Downloads (12 Months): 308, Citation Count: 0

The increasing diffusion of XML languages for the encoding of domain-specific multimedia inform
raises the need for new information retrieval models that can fully exploit structural information
language specifically designed for music like ...

Keywords: Graphs, XML, invariants, melodic similarity, metadata, music, music information ret
structural properties

17 GFX: AVI movie players and capture
    June 2001 Linux Journal, Volume 2001 Issue 86
    Publisher: Specialized Systems Consultants, Inc.
    Full text available: html(15.25 KB)   Additional Information: full citation, index terms

    Bibliometrics: Downloads (6 Weeks): 4, Downloads (12 Months): 38, Citation Count: 0

18 The virtual reality modeling language and Java
    Don Brutzman
    June 1998 Communications of the ACM, Volume 41 Issue 6
    Publisher: ACM
    Full text available: pdf(763.87 KB)   Additional Information: full citation, references, cited by, index terms

    Bibliometrics: Downloads (6 Weeks): 16, Downloads (12 Months): 99, Citation Count: 7

19 Augmenting SCORM manifests with adaptive links
    Nor Aniza Abdullah, Christopher Bailey, Hugh Davis
    August 2004 HYPERTEXT '04: Proceedings of the fifteenth ACM conference on Hypertext and hype
    Publisher: ACM
    Full text available: pdf(191.98 KB)   Additional Information: full citation, abstract, references, index terms

    Bibliometrics: Downloads (6 Weeks): 9, Downloads (12 Months): 55, Citation Count: 0

        This paper describes an experiment to augment SCORM manifests with adaptive links using Aulc
        order to promote content reusability, interoperability and personalized e-learning. Our technique
        involves the automatic deduction of a concept map from ...

        Keywords: AuldLinky, FOHM, SCORM, adaptive hypermedia

20 Spreadsheet structure inspection using low level access and visualisation
    Daniel Ballinger, Robert Biddle, James Noble
    February 2003 AUIC '03: Proceedings of the Fourth Australasian user interface conference
                      interfaces 2003 - Volume 18, Volume 18
    Publisher: Australian Computer Society, Inc.
    Full text available: pdf(92.69 KB)   Additional Information: full citation, abstract, references, cited by, index ter

    Bibliometrics: Downloads (6 Weeks): 4, Downloads (12 Months): 23, Citation Count: 1

        Spreadsheets are an extremely common form of end-user programming used for many applicati
        student marks to accounting for global multinationals. Ways of studying the structure of a sprea
        itself is normally constrained to the tools provided ...

        Keywords: end user programming, spreadsheets, visualisation
